## 3 Student Societies

### Host Family Program

Chinese Host Family warmly invites international students to join the group, and get individually matched with a Chinese host family, to get a feeling for Chinese culture and daily Chinese family life. At the same time, you can experience the warmth and care from a family abroad. The Chinese Host Families invite students as guests at home, to spend time together, deepen friendships, and learn from each other.

### Buddy Program

Every student will be supported by a Chinese partner from the Buddy Program. The Buddy Program aims to construct a cultural communication platform between students of different countries in campuses, organizes students to pick international students up in the airport, helps them register, attend orientation meetings, and visit the campuses. Considering the needs of each student, the Buddy Program provides considerate and meticulous service, which aims to build a warm home for international students.

### Jilin University International Students Union

International Students Union is a fellowship group of international and Chinese students. It endeavors to set up the interaction platform between international and Chinese students and organizes an annual International Cultural festival, New Year's party, the international and Chinese college student's cultural salon, fluorescence night running, costume party, and many other activities.

### Jilin University International Students Art Troupe

International Students Art Troupe is an international amateur art troupe. It provides opportunities for international students to show off their talents and artistic abilities.

### Jilin University International Student Volunteer Association

International Student Volunteer Association is a "love post" launched by international students voluntarily. It organizes a number of volunteer activities, such as visiting primary school of poor areas regularly. It pays close attention to needy people.

For detailed information, please check http://cie.jlu.edu.cn Registration website: http://apply.jlu.edu.cn

The "2+2" programs are undergraduate programs designed for international students. In the first two years, students will learn Chinese Language and specialized course in the College of International Education and get a minimum of 180 in HSK-5. Then they will pursuit further education to learn specialized courses in related schools or colleges in the next two years. International students who have completed all the courses required by the curriculum and successfully defended the graduation dissertation will be granted a degree and the diploma of Jilin University. These programs include International Economics and Trade, Journalism, and Communication and Marketing.

Some programs are flexible that students can choose to transfer to second half of freshman year or the first half of sophomore year according to their Chinese level. These programs include Chinese Language, BTCSL, and "2+2" programs.

International students, who didn't graduate from high school, are required to submit pre-graduation certificate, in order to ensure that high school certificate will be reached before admission.
